### Meeting with an Old Friend

A: Manager Huang, are you busy?

B: (Pleasantly Surprised) Isn't this Miss Zhang? (What a pleasant surprise to have) such a rare guest! Please do have a seat! It is not very often that I get to see you. How is it that you are able to have time for a visit today?

A: I have made specific plans to come to visit you.

B: It must have been a long time since we last saw each other?

A: Yeah! I think it was at the expo that we last see each other.

B: It appears that you are doing pretty well recently. You look even more spirited and energetic than before.

A: Thank you, thank you. I am OK (not as great as you said).

B: Where do you work now?

A: I work at a foreign enterprise.

B: Wow! You have surely moved up!

A: Not at all, not at all. I am still pretty tired all the time like before.

B: Is your family well?

A: Pretty well. Thank you for asking.

B: Does your husband still work at the company he worked for originally?

A: He no longer works at the company where he worked before. A while ago, he started work at another company.

B: That's pretty good! Your husband must be moving up like you are!
